City of Longview, its beauty and history.**

Dear Longview '23 Club Members and Friends,

Our '23 Club's Annual Dinner meeting is almost here. We hope you will be able to join us as we share an evening honoring those who built our community. This year the program will highlight the 50's and what it was like to grow up in Longview. Our thanks to those who contributed memories and photos for this program. A book is being published and will be available at the dinner. Be sure to order yours.
