Dear Longview '23 Club Members,

The executive board has been reviewing last year's dinner program and involvement in the parade, both well-attended. We hope to have even more participation in these events in 2017.

First, about the **4th of July parade**, Cal Fowler and Arleen Hubble did a great job last year and are willing to help organize it again. We are hoping to have a few vintage cars with riders and also many walkers from our club. If you plan to join in the fun, **please call Cal** (430-4265) so we have an idea of how many will be in our group. In the parade, it would be fun if you could **wear our logo t-shirt or a 50's outfit** to go along with the theme for this October's dinner meeting. Red t-shirts with the '23 Club logo can be ordered if you didn't get one last year. Please let us know by sending in the coupon on back and mailing it with a check by **June 1st**. You may pick them up the morning of the parade. The parade starts at 10 a.m., so please meet our group in the alley just south of Hudson between 14th and 15th Avenue by 9:30 a.m. We had a great time last year and hope more of you can join us this year.

That brings us to plans for our October dinner meeting. If you weren't there last time, or if you forgot, here is where we need your help. Our program will feature memories of Longview in the 50's. We will put together a paperback book, published and for sale at the dinner meeting, in which we hope to include many of your photos and written submissions. **Please limit all submissions to the decade of the 50's.** Here is what we're looking for:

Photos which include classic 50's outfits, activities, and places in town.

Please identify people (or groups) in the photos, the place, and date.

Brief accounts (no more than 200 words) of personal memories which may or may not be associated with a photo submission.

Deadline for submissions is May 1, 2017.

e-mail submissions: cmcaines@comcast.net

snail mail: 108 Villa Road, Kelso, WA 98626

Also, since it will be a 50's theme in October, be on the lookout for items you may wish to display for members to enjoy. And do think about coming dressed in 50's attire. There are rumors there may be prizes for the **"Best 50's Outfits."**

Just a note here to inform those of you who were not in attendance at the October dinner, that a small increase in dues was approved at our meeting. **The dues are now \$4/person, \$6/family.** Still such a deal!

We are looking forward to a wonderful 2017 for our club.

Cordially,
Carolyn Caines and '23 Club Officers
